\*The other thread was great, but I asked @Walter White if I could create a new one and he said yes.

Everyone come join the official Vice's discord! A lot of people always active in it and we're trying to get everyone in here! Simply click on the "CLICK HERE TO JOIN! - The New Order chat (main discord chat)" to be redirectd to the HF Official Vice's Discord.

Thanks,  
Mike

How is this "Official"?

There are multiple vices discords.
