[VybzKartel](#) - Ub3R with 211 Rep - DEAL WITH EXTREME CAUTION

Link to his profile : [VybzKartel](#)

[VybzKartel](#) posted a thread [Windows 7 home premium key that lets me download from official site](#). This is when i contact him through HF PM's.

This is the Screenshot of the conversation that took place between me and [VybzKartel](#)

Spoiler ([Click to View](#))

Now [VybzKartel](#) has stopped replying to my PM's and not paid the 10\$ either. Its a shame how some reputed members do this and get away with it. I was stupid enough to deal with him in the first place without checking thoroughly my bad.

Let this be a warning for other members who try to deal with [VybzKartel](#) to DEAL WITH EXTREME CAUTION because he may try to Scam you.
