Thread: [god6 scammed me \\$100 AGC \(UID=uid=2528910\)](#)

Millimeter Peter - August 20, 2017, 7:55 am

We agreed on me sending half, then he sends half, then I send rest, and he does the same.

I sent him \$65 BTC 5 hours ago for \$100 AGC (Half the deal)

And he said wait and he has gone offline since then

Has it been 24 hours when you paid him? If not, I'd suggest to give him 24 hours. User your accusing has no negative rep or scam report.

Well you should have wait at least 24 hours before you open DD , i dealt lot of time with god6 and never had issue , i am sure your issue will be solved but next time do wait at least 24 hours before come to any conclusion . Good luck .

It's a bummer, hopefully he does refund though.

Damn it.

The same occurred to me too. I paid him 49\$ BTC for 70\$ worth of AGC.
It's been over 24 hours now and I'm still awaiting my payment.
I guess I'll just give him a little more time to solve this.
If he doesn't solve this, I'll open a DD too.

Could be pulling an exit scam OR just something personal IRL, I really hope it's the latter.

I guess he is exit scamming, I saw other report on him too. He should have replied both reports by now. Sad for your loss. But that guy gave me pretty much good deals in past. ?

He's gone MIA and hasn't logged in for two days. ?
