Investigators Help-Desk || USA/UK Background Check || DB Lookup || Number Lookup Due to the amount of leechers getting free background checks and not posting a vouch on the thread I will only be doing this for people with only:

[-] Upwards of Ten positive reputation points.

[-] Member of at-least a month.

[-] At least 50 Posts. Note this is not a free doxing service

American Citizen Lookup I will provide you with a full citizen profile lookup using a various of tools such as Been Verified and InstantCheckmate - if you want to request this type of service please Private Message me with the following information:

Full Legal Name: Age(18+): City: State:

United Kingdom Citizen Lookup I will provide you with a full profile lookup using a various of tools such as 192.com and another service that I'd rather keep to myself - if you want to request this type of service please Private Message me with the following information:

Full Legal Name: Age(18+): Town: City:

Database Lookup Please Private Message me with whatever you want looking up and if you possible please be specific with the databases you need looking up a way of doing this is by going to <https://www.weleakinfo.com> and signup and then login and paste whatever information in the search box and it will list all the databases that have that specific string in. Code

[align=center][b]+-----+[/b][b]/align]

[align=center][b]| Database Details |[/b][b]/align]

[align=center][b>+-----+[/b][b]/align]

[align=center][b]| Size: 112 GB | 579 Separate Databases |[/b][b]/align]

[align=center][b>+-----+[/b][b]/align]

[align=center][b>| Including USA States Voters DBs |[/b][b]/align]

[align=center][b>+-----+[/b][b]/align] ~> [You can find my full database list right here](#) <~

USA Phone Number Lookup If you are wanting me to see what I can find through someones mobile number or home phone number then Private Message me the number.

Email Address Lookup

Some emails such as the following: @comcast.net

@hotmail.com

@aol.co.uk

@aol.com

@outlook.com

@gmail.com

@yahoo.com

@att.net

You need to reach 25 posts before you can use the private message function. Its to prevent leechers.

SandyL17 - October 25, 2017, 2:49 pm

I have 33 posts and PM has worked in the past. It's giving me an error message about image verification.
