Title says it all.

PM me if anyone's selling. I won't waste your time like rest of the broke fucks who made thread for attention.

You should work on being less hostile in your posts.

Good luck finding a group.

Yugioh was good before Beaver Warrior wasn't the highest 4-star defense card.

Now I am the warrior of beavers xd

Baby Groot - August 22, 2017, 2:29 am

I personally rate blade-blade better than all the card games (even though blade-blade wasn't a card game but hey ho)

Someone get the top-trumps out.
