Thread: [3p1c Upgrade](#)

**Akinsoft** - August 24, 2017, 10:08 pm

Hello there, I'd like to offer a life changing Service in Service Offerings but I require to have at least 50 quality posts or buy an upgrade, my question is: Will 3p1c upgrade get me the right to post in Service Offerings?

Best Regards, Akinsoft.

I don't believe so, but you should wait for another answer. Getting 50 posts is easy just head over to The Lounge and post on threads you find interesting. Best of luck!

I'm most interested in investment, deeds, etc. There aren't many threads covering those subjects.

You need 50 posts or L33t if I recall correctly.

**Akinsoft** - August 24, 2017, 11:13 pm

I got the money for it, I just want to know wich one's needed.

Regards

It's 50 posts or the L33T upgrade, your choice buddy.

I want to get my service up and running, I don't want to spam posts, I'll get the upgrade, thanks for the info.

Ep1c will not get you that ability. You would need L33t. Or make the correct amount of posts.
