Thread: [User gave random/unreasonable negative rep](#)

Noivinmo - August 25, 2017, 7:27 pm

Heyo, recently, a user Cheshire gave me negative reputation. He wont respond to my pm, and I can't contact him. I'm wondering if there is anything I can do about random and unreasonable reputation? I'm reasonable new to hf and I'm not sure. Please give me an actual answer instead of saying something else.

What is unreasonable about someone not liking you?

NinjaLeaks - August 25, 2017, 7:29 pm

His rep is perfectly allowed, making this thread will only get you more negs...

There's nothing you can do about it besides asking nicely for him to remove it.

Maybe he saw something you posted and didn't like it. You don't have to be in direct communication with someone to not like them.

Some members just like to neg new guys, it happened, just be a man, pick up your balls and ask him why, if he doesn't respond then leave it and continue your life. It isn't the end of the world if you have a neg, just be HQ and you will get +reps which will override that neg.

Cheers

I usually don't post on these threads because they're so frequent, but the reason you got a random -rep out of nowhere is because you're new and can't do anything about it. You may have said something that upset someone even slightly. Posting a thread complaining about it often gets you more. My advice, let it go, stay active, work your way up to Ub3r.

Will do, just figuring out how things work around here.

Suck it up sunshine. My first rep was a negative and I didn't complain. It just happens. The reason was, "Add a reputation for ParadoxicalInsanity" They don't need a reason. Like earlier in the thread someone said complaining in a thread is only going to make it worse.

Okay, I am coming from a forum where people need valid reasons for rep, that's why I ask so much.

Deany - August 25, 2017, 7:49 pm

Same thing happened to me when I first joined HF; funny thing is that I also made a thread just like this complaining about it lmao

N1ghtm4re - August 25, 2017, 10:05 pm

Well maybe you shouldn't have led him on

Fantod - August 25, 2017, 10:07 pm

If I was you I would press charges.

HuntedCS - August 25, 2017, 10:18 pm

This type of thread will get you more negs, it is HF, and it happens, deal with it OP! ?
