Thread: [What song instantly bring nostalgic memories for you?](#)

Charger - August 30, 2017, 8:36 am

What song makes you remember good times in the past?

Mine would probably have to be [Video: <https://m.youtube.com/watch?v=5d7EbtLb8ok>].

When I hear that song, it reminds of my middle school years doing modded things online.

Dunno, just listening to the lyrics and watching the music video makes me nostalgic for teenage years

Random - August 30, 2017, 1:25 pm

Throwback to 2008 playing Runescape after school

Old Wu-Tang clan songs bring back the nostalgia.

chris chan - September 6, 2017, 8:21 pm

All of the old songs for my age.

King of Clubs - September 6, 2017, 8:22 pm

This one. Crazy how many memories pops into my head when listening to this song.

NinjaLeaks - September 6, 2017, 8:26 pm

This is probably cringy as fuck but

[Video: <https://www.youtube.com/watch?v=Dg0ljOzopYU>]

Minecraft music brings me back to when I was a cringy ass fuck in middle school.

This takes me back to Christmas 2002 after my brothers and I got our PS2 and one of the best games ever made!

Muggle - September 7, 2017, 9:45 am

Pretty much this. Reminds me of being really young and all the 90's shit going on lol

Domyos - September 7, 2017, 11:09 am

God i loved the first need for speed series...

I also loved this song so much when i was just a little kid

SIM-1349466 - September 7, 2017, 8:32 pm

I remember playing my PS1 and spamming this song on "Now 4" Lmao.

Believe it or not I still actually play YuGiOh xD

I still want to find a badass jacket like YuGi had in the series.

DerMensch24 - September 8, 2017, 2:37 pm

One of the first few albums I owned, this is one of the songs off the first side. Also see it as somewhat of the last decent album these guys put out, albeit their latest album shows improvement but I don't see them returning to their sound within the band's lifetime.
