free gfx by
slows

'terms of service'

1. you have to be either L33T, UB3R or R3KT.
2. if you're not any of the above you will be ignored.
3. don't rush me as im quite busy, i will only do your request in my free time.
4. please don't pm.
5. if i do put a watermark of my name somewhere in the design or put "made by slows" then you will not remove it and won't discredit me.

please note: gfx i make will not be the best as im doing it for free.
i may take more than 24 hours to complete your request.
if you're not satisfied with what i make then you can ask to change some stuff,
but i may not do it.

what you can ask from me: hf avatars / hf signatures / other avatars / youtube banners, thumbnails,
logos / twitter headers, logos
what you can't ask from me: thread designs / anything to do with gif

'request form'
for "what you want" put either 'banner, avatar etc'

i used gotham font, i just didnt know what to do as you didnt give me too much detail

Amnesia420 - September 10, 2017, 3:12 pm

I need a HF avatar and signature.

What I like: 3D effects, girls, guns.

Don't make the whole avatar and signature in 3d. Good luck!
