Famous Dexter - September 5, 2017, 11:41 pm

is there a service that can get this done for me?

I think it can be easily jacked.

And the price depends on the IG

How exactly does one "jack" an IG acct?

You should ask somebody who knows how to do this.

Firstly, where did you hear that there are services which get this done?

Secondly, jacking IG accounts is not as easy as you think.

Since danny himself doesn't know someone who knows how to do this, we can easily conclude

what he said was not true.

There are lots of people who do this.

And I know Reusable, who jacks skypes,kiks and IG tags.

A few people do username requests for around 2-5k each.

Try one of those if they're willing to use a MM, otherwise pay someone to jack it.
