Thread: [Twitter Oday!](#)

BrandanLul - September 6, 2017, 6:28 pm

Have a twitter Oday right now, pretty good Oday.

Info: This basically lets you promote as many tweets as you want for FREE, pretty good for a stats.
- You NEED a Pre Paid Credit Card for this.

I'll only be selling 5 copies(\$125) due to obvious reasons -Vouch copies already been given.

No thank you, OP says 500+ rep.

Vana - September 6, 2017, 6:48 pm

Are you reporting this on HackerOne and selling it?

Edit: OP contacted me on Discord and stated that he will not be reporting it, only selling it. He isn't able to reply on this thread anymore as his rep is below 0.

Prepaid credit card for a Oday your kidding right.

Nopee - September 8, 2017, 8:05 pm

It's the same as facebook in which in facebook you just need a VBA and authenticate it easily.
There are sellers out there with VBA plus logins.

Practically the same with linkedin and pinterest ads as well.

Not really Oday lol.

Just a loophole
