Thread: [KaZe Logger *Free Keylogger* *UnFud*](#)

Spade - September 7, 2017, 1:11 am

Hey my fav forum! I was gonna make it FUD but I feel as if users abuse, but If this thread gets 2k views and say 200 comments I will make it FUD and release the webpanel version!, but In the meantime enjoy this fixed up keylogger ? [pics]

Email from kelogger:

~Features~

~

Not the best I mean Its a free source that I got bored with

Updates in progress

Roblox Stealer, Discord Stealer ?

Thanks for reading and here is the Download

<http://www.filedropper.com/kazeloggerversion10>

?

MonyBringer - September 7, 2017, 3:29 am

Its just a shit . Its full of trojans and it doesnt even work
