Thread: [\[ALL\] \[EASY\] \\$25 Giveaway/Contest](#)

West Coast Ghost - September 8, 2017, 1:55 pm

Goodmorning gents,

Today I'm hosting a \$25 giveaway via paypal, steam, and possibly other ways as well. I will not be giving away the money via cryptocurrency as I don't have quick easy access to it.

The rules are simple,

Listen and vote(like) on my track I entered into a contest over at Skio Music. After you vote show me a screenshot like this:

Spoiler [\(Click to View\)](#)

Make sure the screenshot includes your username

Vote link: [here](#)

You can login with facebook so you don't have to go through really an account creation process.

The giveaway will be at random I will use RNG to choose the post number. If the posted number didn't vote, I'll reroll.

If there's a decent turn out to this giveaway I will increase the giveaway to \$50!

Contest ends on September 13th

??

Y'know, I wasn't expecting this to be good. I would've listened and liked anyway for the contest even if it was just a bunch of horrible screeching sounds but... that's actually really good. Nice work! ?
