rsx - September 8, 2017, 10:23 pm

So i'm looking for some shoes to buy soon, wondering what your guys favorite shoes are just to get some recommendations

Was thinking about getting another pair of air max 90s because I like them so much

Killy - September 8, 2017, 11:12 pm

Love the airman 90s as well

to bring back the classics
should get the all white airforce 1s

Cagey - September 8, 2017, 11:13 pm

Honestly don't really care but they gotta look cool

gringo - September 8, 2017, 11:16 pm

Jordan 1,4,5,10,11,12,13 anything other than that look like shit tbh, boost is in right now (ultraboost, Yeezy, etc) if you're looking for comfort. Honestly it just depends what you're into man.

Any pair of shoes that looks cool and such ill grab.

CULTSWEGMAFIA - September 8, 2017, 11:19 pm

Download the GOAT app, it's an app for shoes. You might find something else you like. I personally like vans, my fav being the supreme x vans era motion logo shoe (red). they're dope.

Nebo - September 8, 2017, 11:54 pm

Well, I kinda like sneakers and I'm not too picky about my shoes though if I had to pick I'd go with Adidas (true Slav qualities).

That's my favorite shoe

Docs or really any boots look great--especially on girls. Probably not what you're looking for as far as recommendations but I feel super obligated to tell people I like boots.

i dont care for any specific shoe. as long as they go with my outfit im good with it lol

Akamay - September 9, 2017, 1:10 am

I personally just rock vans currently, how do you like air max 90s? I've thought about buying them before.

queonda - September 9, 2017, 2:32 am

For ultimate comfy-ness I would say go with some Ultra Boosts. Super comfortable and some of

them have great designs

Smok&y - September 9, 2017, 2:41 am

I like my shoes classy. I wear Valentinos, Balenciagas, Louboutins. I still rock nikes though.

Geralt - September 9, 2017, 3:43 am

Gucci Aces for sure. But I also like Nike and Adidas as they have a variety of designs to choose from

Aliasllias - September 9, 2017, 3:46 am

I have multiple designer shoes, these are my favourite 3,
My valentino Garavani's look great and feel good on the foot.
My Louis Vuitton Runners, same as my valentinos but don't like them that much anymore.
Balenciaga Arena High top, looks good, fit is great but was a pain to walk on when they were new.

Bloodmgx - September 9, 2017, 4:08 am

I only wear Converse/Vans.

Yeezy boost 750 in black are pretty nice if you have the money.

Not planning on prostituting myself for a pair of shoes that are gonna be on the dirty ass ground all the time. You think i'm made of money or something? I work at a damn restaurant and pay my share of the bills for fuck sakes ?

rahy21 - September 11, 2017, 2:56 am

i love the supreme x cdg af1 and nmd french beige

ToxicLexxi - September 12, 2017, 8:27 am

i'm not in the huge hype game but after yeezys 350, ive always found it comfortable, i've always been a Adidas shoe person mainly, also have a pair of chucks, timberland's and a few nike (recently got them), idk their names though, they just look fresh

????????????? - September 12, 2017, 8:29 am

I'm in love with the Nike Yeezy 2 Red October and with the Real Nike BtF Shoes... but a bit expensive...
