First Visit this website on your phone. and when you get to the download app page, keep this in mind.

- 1 App Download = 1k Followers
- 2 App Download = 2k Followers
- 3 App Download = 3k Followers
- 4 App Download = 4k Followers
- 5 App Download = 5k Followers

Download as many apps as you want/can. You have to keep each app open for 45 at least seconds!

If you fail to keep it open for 45 seconds, I wont get the lead and you wont get the followers.

Next, Visit this website

<http://realgram.weebly.com/>

State which Apps you downloaded, from which country and on what device. Also, make sure to include your username.

After I have verified everything, I will send the amount of followers that you have earned. Note: These are bots that do not like your posts.

I will be manually sending you the followers.

This offer is not valid to users in: Pakistan, India.

You can do this with as many phones as you like and could even try coming back again next week to check if it works.
