thanks for this, was going to do a 100\$ exchange. curious if i say MM will he ignore me

Riyu - September 9, 2017, 3:45 pm

Oh man

Ch?z - September 9, 2017, 3:46 pm

Gave him an instagram 8 hours ago, still waiting on the \$970 btc I was offered for it to be sent to me.

He asked me to put the instagram onto the e-mail: ambien.hf@gmail.com and he has been dealing with me via kik: Ambien.HF which has been his kik for a while. I think it's the OG.

95% sure thats gone, sorry for your loss man.

I really doubt he was hacked, it's either a sold account or he's doing the "i got hacked but now i'm back" type of scheme.

Sorry to everyone for their losses, sad to see that the most reputable users are the real pricks.

is there something strange about that?

he's a reputable member and we've dealt before... I didn't think I'd have an issue.
