death note the movie was soo fucking cancerous im not even gonna lie like bruh its the worst anime ive ever seen right after boku no piko ??????? do you think you aswell or no ?

Kuri - September 10, 2017, 8:31 am

Its an adaptation, people expect it to cross over exactly how the anime is. If you never seen the anime you may think its okay but comparing to the anime of course it fucking sucks.

ChrisyDTDM - September 10, 2017, 8:35 am

I haven't watched the anime, but I watched this yesterday and thought it was pretty good!

Description - September 10, 2017, 8:36 am

I wouldn't call it good or bad but in the middle.

bazzu - September 10, 2017, 8:37 am

very horrible movie, anime is fantastic!

maggot123 - September 10, 2017, 12:13 pm

My point exactly, if you have not seen the anime you may actually really enjoy the movie.

the thing with the movie and the actual anime is that they do not correlate at all between each other which is totally crap and stupid it ruins the all anime thats the point im trying to make if u really want to watch a thriller then watch the anime episodes your going to enjoy then because movies usually tend to cut out some of the more exciting parts and switch things around which makes it more dull

AliveAgain - September 10, 2017, 8:05 pm

It wasn't amazing, but it wasn't bad either. It's worth the watch.

the_autodidact_guy - September 11, 2017, 1:44 pm

I stopped watching after 10 minutes.

HORRIBLE MOVIE

Bloodmgx - September 11, 2017, 5:31 pm

It does complete injustice to the anime. The movie hardcore sucks.

I saw both but I didn't think the movie was that bad because I knew what to expect. I had a few problems with the movie though.

Why was L black? I'm black and I think that was dumbass choice. Also, they introduced "Mia" way too quickly, he had just got started with the Death Note. It was a decent twist I guess. I just can't get over L.

Ryuk was BOSS though. "You said dealer's choice.. hehehehe."

Solixious - September 13, 2017, 9:32 am

Apart from the character of Ryuk, everything else was terrible. But to be honest, it wasn't as bad as I had expected it to be.

N1ghtm4re - September 13, 2017, 1:58 pm

It was total ass, and I haven't even seen it yet.

Deany - September 14, 2017, 1:29 am

is it even worth watching this meme even with DaFoe?

KushForPrez - September 14, 2017, 2:32 am

This movie was so bad.

Everyone is better off watching the japaneese movies.

Nebo - September 14, 2017, 2:33 am

I didn't like the movie, honestly it was awful and cringe.

American attempt to monetize people that watch anime.

Crypt - September 14, 2017, 12:00 pm

I loved the anime and I loved the movie. Both were really good IMO.

Cursedflame1990 - September 16, 2017, 8:03 am

loved the anime hated the movie. light was nothing like how cool and badass he is in the anime lol.

pishicat_Injector - September 16, 2017, 2:34 pm

I haven't watched the anime, but I dos not watched the movie yet

rem. - September 17, 2017, 5:03 pm

Honestly, I don't mind the movie. I watched it in its entirety and it warranted a second look for me later! Overall, pretty good.

Chosen 1 - September 17, 2017, 5:04 pm

I expect all netflix originals to be cancerous

g?th - September 17, 2017, 5:30 pm

It was alright, but it was trying too hard to be a psychological thriller, and if it had some better writing and some better acting, it very well could have been. It's a shame, as I would have liked to see something that makes me think, but I think even with the romantic aspect of it, they could have ended it somewhat Romeo and Juliet style instead of that stupid fucking ending. Not bad, but not good enough for the Death Note name.

Probably a good idea hahah

SLY - September 19, 2017, 12:15 am

I watched the first 40 min of it and switched it off after. It doesn't follow the series at all and i found that they rushed the beginning of the story.

William Murderface - September 20, 2017, 12:46 pm

I actually enjoyed the movie and I am not into anime

It has been fun watching all the "purist" and "weeaboos" cry over this film

They dont realize that the intention was to westernize and make it for the american market.

And they did an amazing job doing so.

baka~ - September 21, 2017, 8:29 am

Watched the movie with a friend who doesn't watch anime and he really liked it, I didn't though.

SAUxSaU - September 21, 2017, 8:32 am

its the worst ever they insultes the anime

SecrtUsrUknwn - October 21, 2017, 8:08 am

i just dont understand why they even try to do this anymore. 9 times out of 10 everyone hates it and it goes into the garbage can that is anime movie adaptations

is it so much to ask for decent adaptations to happen more frequently
