At least provide reasons as to why you even picked this coin as a topic.

MATTx97 - September 10, 2017, 8:06 pm

Im just curious as i want to invest into it. Ive never invested into a crypto currency but i was checking out plex coin. It releases within a month or so and can prepurchase the coin at 13 cent per coin atm

Ok, but what makes it worth investing in?

litocapoi - September 10, 2017, 10:55 pm

its like ten x.. sell it when its all time high..
