Thread: [AIOBOT License 50% OFF | GRAB YEEZYS FOR RETAIL & EVERY POPULAR SHOE](#)

Riyu - September 12, 2017, 7:52 am

Selling my license to Aiobot.com

Updates have expired so you must pay the \$70 if you want future updates (It's not really REQUIRED but you should anyways)

I will provide you where I've purchased proxies from. I've used this bot to purchase different pairs of yeezys, ultraboost & jordans. It works on a bunch of foot sites

Retail price is \$325.

I'm willing to let it go for \$150 BTC/ETH/PP
Even if you buy the updates you're still saving money.

Willing to accept \$175 If pay today.
