Thread: [Playstation 3 Jailbreak](#)

Zurazan - September 12, 2017, 9:29 am

I have a Playstation 3 Slim and it seems to be able to be jailbroken but i did a lot of googling and everything i found seems fake is someone able to help me get started or even able to help me from a distance? discord: Zurazan#1848

i would totally appreciate the help as i really don't know where to start, i'm even willing to pay a SMALL fee >.<

You need an E3-Flasher for downgrading if possible on our PS3.

Zurazan - September 13, 2017, 6:18 am

that's kinda obvious but which of the 200 different models XD
