Thread: [The Draft](#)

saniah - September 12, 2017, 8:28 pm

In the USA we have "the draft" well basically all 18 year old males have to sign up. Is it like that in other country's? That your from?

Orgy - September 12, 2017, 8:32 pm

we don't have "the draft". we have "selective service" which isn't the same thing

Abe Washington - September 12, 2017, 9:17 pm

Some countries have mandatory service. The US will perform a draft if shit gets serious, otherwise, required service doesn't exist in the US.
