Thread: [Leave my stream running in the background <3](#)

GramHQ - September 13, 2017, 7:29 am

Would some of you guy be able to keep my stream running, muted in another tab, just so that it boosts up the ranks a bit?

I'd really appreciate it!

Willing to return on any videos, just pm me or reply :)

It's not currently playing.... But if it where I would listen to it.
Regardless leaving it open.

Is it just me or is there no music playing on the stream?

Fortunate - September 13, 2017, 10:55 am

There's nothing playing, otherwise I'd listen to it.
