Got the "method"..

It's shit. Requires a new account (something the very cheap paid services don't), and doesn't seem like it'd work..

Lots of effort, too.

Lots of effort, too.its shit? Buddy your the one who said you can't afford it \$5 per month, why not give it a try, legit takes no effort took me 5minutes.

Worth it its free.

Won't work on pre-registered accounts and surely you can't do the same method >1x per account?

Either way it seems easier to go out on the streets and give a hooker a handy, beat the shit out of them and take £5.
