Thread: [some one to upgrade me to leet](#)

HFZeus - September 14, 2017, 10:34 am

Only have pp. MM will be used.

Chloe Price - September 14, 2017, 10:35 am

I also might need this, PM me if you find someone OP

CYB3RM4N - September 14, 2017, 10:38 am

It might be easier if you exchanged your PayPal for Bitcoin and then upgraded yourself.

Jesus, 35% to upgrade to l33t is rape.

PRPS - September 14, 2017, 10:46 am

I would say use staid but he's going to ask you for all of your information, literally all of it. but its safe and trustworthy.

but its safe and trustworthy.Yep. When I used him to transfer PP > BTC, he made me send my ID and last 4 digits of my SSN PHOTO VERIFICATION.

It's all just so he doesn't get charged back or scammed. It doesn't hurt lol.

HFZeus - September 14, 2017, 12:49 pm

still looking for this ??
