B FOR BADASS - September 14, 2017, 2:04 pm

Features:-

File Manager
Root Access
Execute MySQL Queries
Edit files
Download/Update files
Full permissions to directories
Execute shell commands
Price-

\$3 per shell.
\$2 for bulk.

Terms of Service

- I will be checking the shell before sending it , it's a basic shell that offer access upload is OK , so upload your own stuff on it and I'm not responsible if anything happens after the deal is made , if the shell got removed or detected it's on your own.
- You are free to share access with anyone ,after the deals is made I'm not responsible for the things that will happen to the domain.
- All sales are final , no refunds at all , so don't come and tell me that the shell was removed after I gave it to you.

SIM-2223238 - September 14, 2017, 2:06 pm

What is bulk in your opinion?

Flaws. - September 14, 2017, 3:57 pm

Would love to receive a vouch copy for this, would be happy to give my feedback.

Aggron- Currently anything above 10 will be bulk.
Thanks and let me know if you wanna purchase it.
Thanks

baddy - September 14, 2017, 10:24 pm

Are these HTTPS?
If yes I will be interested

If yes I will be interested Yes, I do have HTTPS shells but the price will be higher than the general shells. LMK

Flaws. - September 15, 2017, 3:28 pm

Received a vouch copy

The shell works just fine, had some small issues which were sorted.

I can vouch for B for Badass

Shell4You - September 15, 2017, 3:46 pm

vouch for this guy he is legit and don't hesitate on deal.

thanks.

B FOR BADASS - September 15, 2017, 6:06 pm

Thanks for the vouches. The shells are still available. Let me know if you wanna buy them.

MangSamhadi - September 16, 2017, 12:43 am

i would love a vouch copy brother . Thanx in advance.
