Thread: [>>>B FOR BADASS<<< - Free Web Shell - Vouch Copies](#)

B FOR BADASS - September 14, 2017, 2:12 pm

Hi folks,

I just started my web shell shop-

<https://hackforums.net/showthread.php?tid=5717629>

Giving out vouch copies today.

Thanks

Flaws. - September 14, 2017, 2:13 pm

Sure ill take one my dude

Would be more than happy to try one out.

kookur - September 14, 2017, 2:14 pm

I'll take one bro. I don't have any use rn but I will resell it if I'm allowed.

wit - September 14, 2017, 2:15 pm

i'll take one of these boss thanks

would love one to test it out brother :)

Sigma - September 15, 2017, 12:18 am

Yeah, I will have one too if you are still giving them out.

.Satellite. - September 15, 2017, 12:56 am

I would like to take one of these off your hands my dude.
