Thread: [:\(I just drank so many coffee grinds](#)

Cagey - September 16, 2017, 3:16 pm

I was at the end of my coffee and I wanted to finish it off and bam all grinds fucking disgusting I almost threw up.

Has this happened to anyone else

I dip vanilla cookies in my coffee,so a while ago i almost choked to coffee grind mixed with cookie grinds ?

Killy - September 16, 2017, 3:35 pm

I take it all like a man

drink black coffee with no sugar

Once, but I spit out the grinds when I felt the texture in my mouth. Not a big deal, it happens.

databoose - September 16, 2017, 3:38 pm

I've eaten coffee beans at extreme desperality when i didn't have a grinder, it's horrible but you still get the caffeine.

Also: get a french press

#YOLO - September 16, 2017, 3:38 pm

U need to take ur pen and fucking smash that cup in for making you feel like that

wit - September 16, 2017, 3:39 pm

Does anyone in this thread use K cups
honestly they're fire and pretty cheap if u have a plug

I honestly feel violated after and sit in my shower naked and cry for a good 20mins.

Good coffee is great black, shit coffee is bitter and I'd require some cream and sugar.
