Thread: [Free Unsaturated Pack - 702 Pictures - 15 Verification Pictures](#)

Kway - September 18, 2017, 5:09 am

I thought I'd contribute to the community a little... I have this pack laying around, and I thought it'd be useful to the newcomers.

I have removed the text from some of the verification pictures that have paper so you just need to know how to photoshop if the finger ones dont work.

Noksyd - September 21, 2017, 11:57 am

Thank you so much for this ! I've been playing around with an instagram (about... Bootyselfies :p) wich reaches allmost 7K followers, it's not that much I know but It may kinda help me in E-whoring.

But my question is, About those verification pics. How du guys reproduce an handwritten fake ? Is there any font on photoshop to use ?

And once again, thank you ! :)
