Some codes are fresh and some codes are already used by some newfags here who didn't let me know if they used it.

Please leave a feedback after using it :D

Will update this soon.

Please dont distribute this or sell on other site...

EDIT: Added tons of invitation codes :D

My tip would be, have people PM you for the codes, the amount of people who just lurk and leach off of HF is most likely very high, I'm certain through having members post or PM you the invites will go to higher quality, more deserving members.

More on topic: It's a nice thing you are doing, I would have taken one myself if I was not already a member :)

Airex - July 28, 2010, 5:38 am

I would like to do that but i dont have time to reply on those replies. :/

EDIT:Added tons of invites :D
