Thread: [New Member Come To You \[GHI Team \] - Regards](#)

pishicat_Injector - September 19, 2017, 2:55 pm

Hello I am a new member with you in this great forum

My Name Is : Gamal Hesain From Iraq

My NickName Is Pishicat but I'm New Pishicat There Are pishicat that is r3dcat in ashiyane.org

I am an active member of the team GHI | Gaza Hacker Injector Team

I hope to work together properly in this big field | SQL Injection

What we will offer you here in this section

- 1- Learning from each other from the perspective [One for all & all for one]
- 2- Add new interesting Tutorials
- 3- Add powerful challenges with simple Challenge Too
- 4- Sharing private 8 Solution in SQL Injection WAF

Regards

deon - September 20, 2017, 12:05 am

I look forward to your tutorials and challenges.

hi thx ?

theBallistic - September 20, 2017, 5:07 am

Awesome! Can't wait for the tutorials and the challenges. Been looking for some that aren't too hard lately, but I'm a noob when it comes to sql, so hopefully you can help me out :)

Looking forward to your services!

khan_je - September 20, 2017, 6:20 am

Will be waiting for your tips and challenges

Error22 - September 20, 2017, 6:35 am

thanks we are waiting for your tips and trick i m also new beginner i dont know about sql
