Thread: [Multi accounters giving Rep| Gang Rep + Rep Abuse?](#)

Theo™ - September 20, 2017, 6:27 am

Hello everyone,

like someone is pissed off on me for no reason, and the member owns multiple account on HF.

The member is giving me reputation from all his account, i cross checked those member trust scan, both shows that both Accounts matches to 1 another account.

Check screenshot as below:

Send a PM to Omniscient and he'll look into the accounts to see if they match each other etc.

It certainly looks sketchy. Since you PM'd Omniscient about it he will most likely look into this and take action if necessary.
