Thread: [1 min work | plain text for sticker](#)

B3A - September 22, 2017, 6:25 am

I need | Daily Gang | for a sticker banner for our local car squad

Font: type cambergang on Google, something similar.

Specifications: DailyGanG I just want the last G be flipped looking left. Transparent Bg black or white lettering. Any other add on by you would be appreciated.

Made few examples:

Spoiler [\(Click to View\)](#)

Spoiler [\(Click to View\)](#)

Spoiler [\(Click to View\)](#)

Spoiler [\(Click to View\)](#)

Imo first one is coolest than the rest. If you want me to add anything/change LMK.

Will pm you in a bit

Thanks for the entry mate loved them

Would love to see some other tries also

Haven't received any message yet.

Drop me a pm if you want me to change/add things. Also after the work's done will include .PSD aswell if you want it ofc.
