Thread: [MAKE \\$\\$ SELLING MY EBOOK! Don't waste your time writing your own!](#)

Dollaz - September 22, 2017, 1:46 pm

Whats up guys!

I recently started an ebook that's generating decent sales & people are loving it!

check it out yourself: <https://hackforums.net/showthread.php?tid=5717415>

I am offering anyone who wants to try and sell it with me.

\$17.50 EACH SALE. I WILL GIVE EACH PERSON THEIR OWN 20% OFF CODE TO GIVE OUT.

Even if it doesn't work....You don't lose anything.

Thanks,

Comment/pm me.
