Thread: [\Requesting Graphics For A Minecraft Server Logo](#)

BobelX - September 22, 2017, 4:03 pm

Size: 500x500

Colour Scheme: Purple

Render/Image: Just use your imagination :)

Text: Something Like This

VelocityPvP

play.velocitypvp.net

Why I need this: I would like this because none of us have any experience with making logos. We also do not have enough money to pay for a logo.

Contact Me My Discord: BobelX#9766

Anything else: Thank You

Hello!

Soooo, i've just made a logo for you, and my purpose was to show that is a Minecraft server, so it was based with some of the minecraft characters.

Tell me what you think, and if you like it, drop me a pm to send you vector file for HQ.

[LOGO](#)
