Thread: [What websites do you visit daily and why?](#)

**SIM-1589588** - September 23, 2017, 1:28 pm

I want to know what are the top 5 websites you guys visit daily and why.

My top 5 are

1. Hackforums (My 1st base)
2. Confirmtx.com (Coz I love my work)
3. Bitcointalk (My 2nd base)
4. Coinmarketcap (For tracking market)
5. Amazon (Coz I love shopping)

**Sickness** - September 23, 2017, 1:29 pm

HackForums (I love this community)

Youtube (For entertaining)

Nulled (Where almost all my earnings come from)

Selly (To see the orders)

CoinMarketCap (The price of bitcoin and another coins.)

those are my top 5.

**Enzio** - September 23, 2017, 1:43 pm

If HF is not the first website you visit, log out and ask for an account closure.

**oRequiem** - September 23, 2017, 2:00 pm

HackForums - Favorite and only forum I come to for hours per day

YouTube - Watch videos everyday

Twitter - I reply to people who tweet me everyday and give out daily updates on when I'm live streaming on youtube and twitch

Twitch - I stream every day/night

**SIM-1589588** - September 23, 2017, 2:03 pm

I know some of you guys want to post some other links but can't do that due to HF's policies LOL

Oh yeah. I had to make a new account on there. The weird thing is I didn't even get banned. It's like my account just got wiped a while back. Never got a notice or anything. Just one day couldn't login and just couldn't find my account, reset pw, nothing. No reply from admin either.
