Thread: [Bezier - Practice your photoshop Pen-tool skills here.](#)

Fluffy Bunny - September 25, 2017, 6:29 am

So, this website allows you to practice your photoshop Pen-tool skills online. Quite handy, Fun game to practice your skills easily.

Click > [Bezier](#)

Good luck!

Great tool. I show this to friends who ask me to teach them how to illustrate with the pen tool.

Ah. I've played this game before. It's pretty fun and helpful so I can recommend it

qAzrael - September 29, 2017, 2:44 pm

Just went to the website and gave it a go, great idea and i'm sure i'll be on it a lot ;)

RandomUser123 - October 3, 2017, 8:30 am

Awesome way to teach the tool!

RemoteCotex - October 9, 2017, 1:25 pm

Perfect way in pc but i need to practice in real life but i cant i want to draw like a professional but i kinda write or draw like 8 year old ,god dammit

LoopTurn_ - October 28, 2017, 3:35 pm

This is an amazing way to learn the pen tool. I learned so much and became a lot better. Please post more!

pinkpool8 - November 6, 2017, 1:39 pm

great tutorial. helped a lot. thank u

variousUG - December 15, 2017, 9:20 am

This was so freakin hard in my intro to graphics course. Glad there's a tool like this online. Thanks.

Komorebi - January 29, 2018, 5:35 am

Holy moly, this game is so useful and fun for people who wants to know or master the pen tool in photoshop. I recommend people who are interested in using photoshop to use this.
