Thread: [\[H\] 200\\$ BTc \[W\] Paypal](#)

Candyshop - September 25, 2017, 6:43 am

Message me if you are interested.

Dealing with legit members

gonliSs - September 25, 2017, 7:36 am

Be careful here. I wish to be wrong but probably I was just scammed.

Sent \$100 to this member, he claimed to sent me \$100 worth of BTC but immediately went offline and I still didn't get my BTCs. Too bad.

You should've checked his reputation and trustscan.

It's pretty obvious though that he won't get his money.
