You're the reason why the black ancestry is going backwards. Put your parents mortgage payment back in the secret jar and stop flexing like you're making racks to push sales onto your shit ebook threads or whatever they are supposed to be you NHS glasses wearing, specatronic, spazmoid.

Edit: And for real Chef, I dont even know you nigga but I respect the hustle if its legit.. I just dont like the way you're flexing its spazzy. Cut that shit out, stack your shit and keep it shut like somebody else said. What makes it EVEN worse is you flexing with these ebook sale threads which come shortly after what appears to be a bullshit bragging thread/video or gay ass rap.
