Thread: [Giving away YouTube Views, IG Followers/Likes and Twitter Followers](#)

sonex - September 27, 2017, 1:25 am

I have an SMM panel from ibuylike.com laying around with bunch of dollares on it for which I have no use whatsoever, they offer real good service and fast followers/HR YT views but I've switched my methods around and dont need it anymore. I'll be giving it away, I can do 500 HighRetention YouTube views, 250 IG followers, 500 IG likes and 250 Twitter followers.

Pick one and dont be greedy, I'll do upgraded members only, no freebie beggers plox. If you're a normal member and you feel you contributed to the forums, you're more than welcome to post your request, otherwise dont even ask.

Either post your link down below or PM me.

It's actually the best panel I've used in a while, sadly I converted money into BTC and was gonna do something but then just quit it and decided to give it away, dont normally use BTC. Thanks though, you're doing it for the community!
