Wardow, KillaMuvz, Razor, DaPirahna - why do all the good users have to be arrested or have their account deleted?

NA Riven - September 27, 2017, 1:21 am

If they got arrested they are not good users xd

IMRICH69 - September 27, 2017, 1:23 am

Jeez, fill me in?

What do you mean got arrested, any sauce? For what?

Metallic Silver - September 27, 2017, 1:23 am

Make new friends man not all that hard

Corruption - September 27, 2017, 1:30 am

Hey I am a good friend shoot me a PM if your bored.

Killamuvz is the only one that I knew personally from chats. But I was not that close with him since I wasn't part of HF at that time.

Also hes the only one that I know got arrested from all the names you mentioned.

Pompeyo - September 27, 2017, 1:33 am

Looks like you're going to have to quit as well. See ya.

Silent Uprising - September 27, 2017, 12:16 pm

I don't really have close HF friends. Occasionally message people see what's good, but there is no one I've ever talked to on the daily. I would like to meet new people but I never really had the chance.

stink - September 27, 2017, 12:17 pm

Keep on going man. That's how I felt with other forums. I'm also really friendly :) Hmu if you need anybody to talk to.

i wasn't on hf at the time but a few of these people were booked for cyber crimes

FamousHater - September 27, 2017, 12:20 pm

im still here

i just changed my name from wardow

good to see u here still

"why do all the good users have to be arrested or have their account deleted?"

bit of an ironic statement isn't it?

Deany - September 27, 2017, 12:30 pm

i'm sure some of them are still here lurking on alts

HuntedCS - September 27, 2017, 12:46 pm

If they got arrested they are not good criminals.

If they are dead, RIP.

If they are closed, they must be skids.

see you talking about razor

white hats plz help OP has ratted me 99%

PrimaryDesign - September 27, 2017, 1:06 pm

Well rip man

You can always meet new people I suppose

That how the world keeps going

new stuff comes

old stuff goes away

I'm saying like

Let's say the typewriter

it was a old machine

once the computer came around.

no one used the typewriter anymore except people who couldn't afford a pc.
