Thread: [TERA \[BEST MMO\]](#)

Nyx- - September 28, 2017, 4:31 pm

Come play TERA with me, its a free to play MMO thats got amazing graphics and a good player base. I'm on the server Ascension Valley

<http://tera.enmasse.com/>

Download it and make a character and come play. I'm level 50 in like 4 or 5 days :)

They are making this game for the xbox and ps4 I just got a beta download for it, wonder how it well run

Simply Gamer - December 16, 2017, 8:40 pm

I just hate really how fast you can just get to max level with barely no effort. Game get quite boring fast too , I've played it for so many hours and I'll probably never go back on it

???? - December 16, 2017, 8:42 pm

I'm playing it on ps4 right now :)
