Just released in the 12th volume of Overlord that the second season will be coming in Winter of 2017!

Super hyped, hopefully its 24 episodes.

I personally own 2 volumes of the manga and 5 of the light novels.

Start from 5. Lizardmen arc ends at chapter 4, but I recommend you start from 4, because the manga might not cover some stuff that's in the LN.

Thanks, I'll start from chapter 4 then. Still can't decide whether wait for the anime or read the LN XD
