(Oct 9, 2017 12:11 AM)?luffer Wrote: [\[CITE\]](#) Hi guys I received a vouch copy of this eBook and the following is my unbiased review.

The method can definitely make money, as is the case with most eBooks but it will take a investment and as OP mentions it can be as little as \$1.00.

Is this method common? Possibly but it's not something that can be saturated really.

As far as the eBook itself goes, the OP mentions on the first page that he will "break it down as simple as possible" but I really did not see that as he used some abbreviations that somebody with no knowledge of this particular method would probably not understand.

While I do consider this a downside of this eBook (If he claims to break things down then he really should), he does offer support on Skype and Discord for those who don't know about the particular

subject.

Other than that he does provide direct steps throughout the eBook and I'm sure following them properly will earn you some money.

I will be trying this method out and I hope to report back here with proof of earnings.

(Oct 28, 2017 10:24 AM)Mr. Sultan Wrote: [\[CITE\]](#) Got a hold of this method last week and finally got paid yesterday! Invested around 100\$ and made 940\$+ already! This is insane! The \$49.99 support is well worth it!.. Don't hesitate to buy! Big vouch for OP!

Terms of Service ([Click to View](#))

Refunds are offered after 90 days if proof you tried is provided.

I reserve the right to edit my TOS or deny a refund at any time!

Jake???????????????? - October 4, 2017, 6:19 pm

Seen the vouch copies needed 1k rep and I almost jumped off a cliff LOL

Copywriter - October 4, 2017, 6:23 pm

LMAO 1K rep for a vouch copy. OP, if I quit my job, will you pay me if it doesn't work?

Outlaw. - October 4, 2017, 6:25 pm

1k Rep doesn't seem to viable, I would only set a requirement of positive rep and a certain number of posts.

Enzio - October 4, 2017, 6:25 pm

I got y'all back guys. Send the vouch copy.

If the shit is shit then it's shit and I'll make a honest review.

HuntedCS - October 4, 2017, 6:26 pm

(Oct 4, 2017 06:25 PM)Alex Business Wrote: [\[CITE\]](#) 1k Rep doesn't seem to viable, I would only set a requirement of positive rep and a certain number of posts.

Obviously not, you have the potential to make this amount of money with the right amount of investment money, and obviously after everything has been going well for awhile. :)

(Oct 4, 2017 06:25 PM)Alex Business Wrote: [\[CITE\]](#) 1k Rep doesn't seem to viable, I would only set a requirement of positive rep and a certain number of posts.

Feeling the same way at the moment, changed it to 500, going to get some sleep and will send out the two vouch copies claimed tomorrow! :)

skills or requirements needed ?

No gambling, and all you need is a minimum of \$1 invested, as well as being 13 or older.

podster - October 6, 2017, 12:56 pm

Anybody that got a vouch copy care to post a review?

JackintheboXXX - October 6, 2017, 2:18 pm

I did not get a vouch copy, but instead, I purchased a guide. My honest opinion is that this method is unsaturated, and I have never seen it before. It is very thoroughly explained, and you will have no problem making money with this. Im just about to invest 250 dollars, and I am positive it is going to turn into a large sum of money.

None of this, and yes it is whitehat! :)

FluxCoder - October 18, 2017, 1:38 pm

Transaction ID (Bonus): ab1b3dd1-604a-4c31-a03d-4826587c3c38

Since I have used some of his products before, I said f*ck it and made the \$49.99 purchase for the advanced package so here is my review. Overall the e-book seems worth it in my opinion, as I have already made \$29.03 after a quick 10-minute team viewer session with HuntetCS to get some assistance on an error, which ended up being with my outdated web browser. I am honestly quite surprised, even though his other e-book made me some decent earnings over the past few days.

Design: 8/10

The e-book looked better than his other releases, and better than any other e-book I have purchased on here, but still not perfect.

Grammar: 10/10

No grammatical issues, everything seems to be written perfectly.

Method: 9/10

Never seen the method in my entire life, and I know for a fact it is not public whatsoever. This can easily make 9-10x your investment as it specified, and I have already made some of my money back. Doesn't seem saturate-able, but I am not expert on that.

Overall: 9/10

Seems like an amazing bang for the buck, and actually proved earnings into my own pocket, unlike other e-books. I am not telling anyone what to spend their money on, but I am happy so far! :)

Thanks for the helpful review, would definitely consider buying!!
How easy is this for a newbie

ayyboss - October 19, 2017, 12:01 am

Do any of the methods involve
Reselling Ebay
Selling
Cpa/PPd
Survey
Tshirts

Gift cards
Student software

HuntedCS - October 22, 2017, 5:46 pm

HuntedCS - November 19, 2017, 2:28 pm

This flash sale is currently still active, feel free to make your purchase today at the low price of \$14.99! :)

Geralt - November 21, 2017, 4:01 pm

Unfortunately I'm gonna have to leave a negative review on this one. The method does look promising on paper and could potentially make money. To make it more understandable without revealing anything about the method, material provided inside e-book shows a way to earn money but in really low amounts, I earned \$3-4 in one week, as there isn't enough of "something" to speed up earnings no matter how much money you invest. I did pay for a cheaper package so seller did not provide me with more of "something" when I asked as it's stated that there is only support for the more expensive package. But I still think he should have helped with that tiny bit of information. With that being said, you cannot make amounts of money showed on pictures following the exact method without thinking outside of the box and doing research.

HuntedCS - November 21, 2017, 4:26 pm
