DerPate - October 1, 2017, 2:30 pm

Shat mate, happy b-day! It'd be better if you celebrate at home with your family in my opinion!

Calogero' - October 1, 2017, 2:30 pm

Happy birthday. May there be 19 more, enjoy your day. Make the most of it, you only turn 19 once.

Happy birthday, OP! I'd say celebrate it in the uni, you've probably 17 or so years of celebrating birthday's at home so why not :P

Dotexe - October 1, 2017, 2:31 pm
