Thread: [Accurate Skype Resolvers List 2017](#)

Relcek - October 2, 2017, 9:51 am

Working and able to bypass blacklist from each API.

http://www.vedbex.com/tools/skype_resolver

<http://skyperesolver.net/>

<http://skyperesolver.pw/>

Enjoy, remember if you cant resolve them means they are using Pidgin or webskype, any software which use Microsoft ip inside of skype.

javinzplayer - October 2, 2017, 4:44 pm

What about <http://skypegrab.net/>?

Relcek - October 2, 2017, 5:43 pm

yea good resolver but not like these list i shared

re_kt - October 4, 2017, 2:26 pm

thanks for sharing this :)

Trifon.Vasiliev - October 5, 2017, 2:47 am

Do they work with all ID's?

Misbehave - October 13, 2017, 6:32 am

Legit resolvers, thanks for the share.

PvtCipher - November 1, 2017, 3:25 pm

Wow cool resolvers, time to hit some kids offline on minecraft raaight?!?
