Sucks to see this happen. Nonetheless, make sure to add this to the DisputeDB.

how do i do that amigo

Pulz - October 2, 2017, 8:13 pm

I tried to PM him about this thread, since he's online; but he disabled messaging.

Four hours seems like plenty of time to hold up his end of the deal- especially when he's been (and still is) online for most of that time.
