Thread: [\[FREE GUIDE\] Get a customised mousepad and free shipping for only \\$1!](#)

CYB3RM4N - October 4, 2017, 11:43 pm

Not sure if people know about this, or whether this has been given out, but it's a fairly public method.

Nonetheless, I wrote a short guide on how to get a customised mousepad delivered to your doorstep for only \$1!

Spoiler ([Click to View](#)) Code \$1 MOUSEPAD + FREE SHIPPING METHOD!

1. Proceed to <http://www.artscow.com/> and create an account.
2. Go to <http://www.artscow.com/photo-gifts/mousepad/large-mousepad-160> and customise your mousepad.
3. Add it to your cart.
4. Apply promo code "00.99MOUSEPAD" at checkout.
5. Enjoy!

Orders will take 8-10 days to reach you if you're in the US and 11-15 days if you're anywhere else in the world, so please be patient!

Enjoy! ?

Thank you very much for that.

I knew about this method but I've forgot.

Going to order 2 mouse pads now lol

You're welcome!

I think it's 1 per account, so multiple accounts should work.

Sorry, this coupon is for single use only. Our system has detected your IP address has already been used.

Fuck.

Gonna need a new account to make.

Really?

I searched before posting but had no results.
