I AM NOT HELPING ANYONE ELSE WITH THIS. I'VE HELPED WELL OVER 25 PEOPLE NOW.

Btw, I'm looking for tips, mentorships, or methods from SERIOUS people who actually KNOW how to make serious money. I'm going to continue this method for as long as I possibly can. If anyone has any ideas on something good to invest in or anything else, PM me now and I'll prob respond tomorrow. Thanks! ?

Update: Next day

(My phone is always almost dead)

Invest in my wallet, it has high potential with no turn over.
Its a leather based wallet with some Cards in it and a few bills.
My jeans like it alot and the girls and stores like it the most.
