Maybe around 4-5 ?

I've pm'd everyone information about this, i'm not scamming anyone or anything like that.

AnonTri - October 7, 2017, 2:01 pm

I would like to talk about it if you don't mind.

Linux™ - October 7, 2017, 10:35 pm

Very interesting. Shoot me a PM and entertain my curiosity.

I've PM'd you about this ?

Strong Servers loaded, still wanting one more person to partner with!

Gomx1992 - October 10, 2017, 5:31 am

My Skype is: Booby.the.builder341 I couldn't PM you since I don't have 25 posts.

Danksta - October 10, 2017, 10:59 am

If you want i have some pass_files for servers

ntoskrnl.exe - October 10, 2017, 2:35 pm

PM me about this, thanks.

'originalmobz - October 10, 2017, 4:17 pm

If you have decent knowledge and not dupped hosts PM me.

Nyx - October 25, 2017, 10:17 pm

Good person to work with/worked with him in past.

Arblive - October 28, 2017, 12:08 pm

What exactly is required of said partner? i am still new to IRC nets although have knowledge with rats etc and http nets just never got around to playing with IRC nets.

PuttyDev - October 28, 2017, 2:06 pm

Dunno if i'm a little late on the party here, but i'd like to help you out if you're still accepting. Lmk.

Ashish882 - October 29, 2017, 12:42 am

Pm me plz I can't pm you since I also not have sufficient post

?Barbarian - October 29, 2017, 12:18 pm

How many bots do you have if i may ask?

Arblive - October 29, 2017, 2:46 pm

Answered all my questions we was on different pages my mis-understanding but resolved quickly. Top guy with top tier knowledge.
