[Serious Sam 2](#) - Weekend giveaway

Your entry number will be your post number and the winner will be "chosen" by random.org. I'll post the winner here and send a pm

requesting the for the winners trade offer link. The winner will have 24h to answer, if there's no answer then I'll just let random.org pick an other winner.

This giveaway will be closed on Sunday evening (8.10.2017, +2GMT).

In the 2nd giveaway there was 2 winners, however first I posted the 1st one and closed the thread. The plan was to edit

my post and add the 2nd one but turns out that that can't be done once a thread is closed.

The 2nd winner was [Fresh](#)
